Do not leave a message at the gym to cancel your lesson – messages cannot always be communicated to the coach from our answering system in time.

If you do not show and do not call, you will be charged for your private lesson. If you are doing a bundle, 1 of your lessons would be used up by the no call, no show.

If you cancel less than 4 hours in advance, you may still be charged for the lesson. This is up to each coach individually and based on how much impact the cancellation has on the rest of their schedule that day.
